ROSÉ

2019 submission rose

notes

Selecting fruit from various growing regions of California, our rose wine highlights Sonoma, Mendocino, Lodi and Monterey counties.

taste

The wine is pale pink driven by aromas of white peach, strawberry, fresh cherry, and tangerine. Flavorful and intense yet restrained and elegant on the palate. Silky smooth driven by graceful red fruit, orange citrus, and a hint of honey. The finish is long highlighting delicate notes of minerality.
